

Sinclair Broadcasting's decision to force their stations to air an anti-Kerry documentary days before the election is a flagrant and cynical abuse of the public airwaves. If it isn't illegal, it should be! I urge you to immediately warn Sinclair that their license is in jeopardy, and to investigate and stop this outrage.

Sinclair uses the public airwaves free of charge, and is obligated by law to serve the public interest. Media consolidation, and lack of oversight give private companies too much power, and open the door to abuses such as this.

Sinclair's actions show why we need to strengthen media ownership rules, not weaken them. They show why the license renewal process needs to involve more than a returned postcard. Thank you.
